WORK EXPERIENCE

07/2022 – 10/2022 Iasi, Romania

Internship Continental

- Developed an internal tool for company-wide use, leveraging Python for backend development and React.js for the frontend.
- The tool streamlined internal processes and improved efficiency, becoming an integral part of the company's operations.

10/2022 – CURRENT Iasi, Romania

Software developer Continental

- Collaborating on the development of a versatile tool designed for both internal use and commercialization to automotive companies.
- This tool enhances engineers' efficiency by simplifying various tasks.
- Key technologies employed include Python for backend development, Vue.js for the frontend, and AWS for cloud infrastructure.

EDUCATION AND TRAINING

30/09/2020 – 01/07/2023 Iasi, Romania

Bachelor's Degree Alexandru Ioan Cuza University, Faculty of Computer Science

Address Strada General Berthelot, nr. 16,, 700483, Iasi, Romania | **Website** https://www.info.uaic.ro/

PROJECTS

Portfolio

Explore my website to view three key projects that demonstrate my skills in software development, problem-solving, and design.

Link to website: https://haidaurobert.github.io/Portofolio/#projects

Videos showcasing these applications in action are available on my website. I am eager to discuss these projects in greater detail and how they demonstrate my technical skills and problem-solving abilities during an interview.

LANGUAGE SKILLS

MOTHER TONGUE(S): Romanian
